JUN 9	CELC Closed - Program Transition Workday for Staff
JULY 4	CELC Closed - Independence Day
AUG 18	CELC Closed – Staff Professional Dev. and transition rooms for fall
AUG 21	CELC new school year begins (children transition to new classrooms)
AUG 24	First day of school for students at John Wayland Elementary

UNSCHEDULED CLOSURES

If conditions are unsafe, CELC will close. Closure may also be necessary due to natural or man-made disasters. All schedule changes are communicated to families via text to the phone number(s) shared at registration or by use of the Procure, the center's electronic communications tool. Staff and volunteers are notified by text to the cell number listed on their Staff and Volunteer Emergency Authorization Form.

Delayed opening: Children are received at 6:30 daily unless conditions dictate a delay in CELC opening time. School-aged children remain in CELC care until the bus arrives to take them to school. If, during that time, a RCPS school closure is announced, the Director notifies families regarding the status of the Center. CELC receives children daily off the bus from school. In the event of a RCPS planned early release or weather-related early release, CELC will receive children when the bus arrives. Families are contacted as soon as possible if CELC cannot remain open until the usual 5:30 PM time due to weather conditions.
