### UNSCHEDULED CLOSURES

If conditions are unsafe, CELC will close. Closure may also be necessary due to natural or man-made disasters. All schedule changes are communicated to families via text through Procure to the phone number(s) shared at registration. Staff and volunteers are notified by text through Procure to the cell number listed on their Staff and Volunteer Emergency Authorization Form.

Delayed opening: Children are received at 6:30 am daily unless conditions dictate a delay in CELC opening time. School-aged children remain in CELC care until the bus arrives to take them to school. If, during that time, a RCPS school closure is announced, the Director notifies families regarding the status of the Center.

CELC receives children off the bus from school daily. In the event of a RCPS planned early release or weather-related early release, CELC will receive children when the bus arrives. Families are contacted as soon as possible if CELC cannot remain open until the usual 5:30 pm time due to weather conditions.
